### UPDATE FROM THE JUSTICE AND INTERNATIONAL MISSION UNIT – KIDS OFF NAURU

There are just three children and their families seeking asylum in Australia still on Nauru. In the last three months of 2018, more than 100 children seeking asylum were taken off Nauru. This was down from 222 who were on Nauru at its peak in 2014. Minister Dutton has publicly insisted that none of them will be given permanent resettlement in Australia. Further, 445 refugees who had been detained on Nauru and Manus island have been resettled in the US, through an agreement between the Australian and US Governments. However, 188 applicants for resettlement to the US have been rejected, including 91 Iranians. The US Government paid for the costs of resettlement, including temporary accommodation and a caseworker for three months — flight tickets were also provided as an interest-free loan. But at the end of three months, the refugees are on their own. There remain around 450 people seeking asylum on Nauru and 600 in Papua New Guinea.

## PRAYER AT ST LUKE'S

At St. Luke's prayer is considered an important and valued part of our worshiping community. The Pastoral Connections ministry team offer several opportunities for you to share in this ministry.

### 1. You can become a member of the Prayer Link.

Submitted prayers are forwarded to those willing to commit time to pray for the joys and concerns of the congregation members and their family and friends, and the community. These prayers are shared only after permission has been given by the person requesting the prayer and are always kept confidential. If you would like to be part of this valued ministry contact Beth Allen on 5243 6874.

### 2. You can fill in a prayer request form.

These are found in the container on the back of each pew and can be placed in the offering bowl or handed to Pam Seller or Beth Allen following worship. Urgent requests can be emailed to Beth on [kballen@bigpond.com](mailto:kballen@bigpond.com) at any time during the week.

### 3. Prayer candles

These are available at the front of the worship space, they can be lit at any time during the service and placed in the prayer cradle. These candles represent prayers offered privately for people or situations we care about.

***We are called to uphold one another in prayer, praying both individually and together.***

## *Prayer for the week*

President Dr Deidre Palmer has asked Uniting Church members to keep residents in disaster-affected areas in their prayers in the days and weeks ahead.

After heavy monsoonal rain, Townsville and surrounding areas are experiencing major flooding. Hundreds of residents have been evacuated and thousands of

homes have been inundated. The Presbytery of North Queensland cancelled all church services over the weekend to ensure that no one crossed floodwaters. Some churches have opened their doors for people to gather and find support.

In Tasmania, seven homes have been destroyed in widespread bushfires, which have been burning since before Christmas. Firefighters are hoping rainfall in the coming days could help control the blazes which continue to burn out of control across the state.

“We pray for all those who are suffering through adversity, that they might know God’s grace and love and be restored in hope through it. In times of natural disaster, churches are pastoral first responders to people experiencing the pain and grief of loss,” said Dr Palmer. “I pray for our chaplains as they seek to comfort the distraught, and our local church leaders as they seek to support the communities around them.”

The Assembly’s National Disaster Recovery Officer Rev. Dr Stephen Robinson says support is available for presbyteries and congregations through Uniting Church disaster relief funds. “As we pray and wait to see the extent of damage and loss, we will continue to make sure that local Presbyteries are aware of the availability of peer support, monetary support through Synod and Assembly disaster relief funds and the possibility of extra ministry resources which can follow up in the recovery phase.”

The Chairperson and Presbytery Minister of the Presbytery of North Queensland and the Moderator of the Synod of Queensland Rev. David Baker have shared the following prayers of intercession.

God of all comfort and compassion,  
We pray for those in our community and our Presbytery  
who are being or have been devastated by flood and rain.  
We know that while the rain has come as a blessing to some,  
particularly those in our outback areas,  
for those whose properties are inundated or lives that have been threatened,  
we pray for your protection and mercy. Strengthen those who are isolated,  
Who lay sleeplessly at night concerned for their own  
and their neighbour’s safety. Keep at bay the spread of disease  
And show mercy and give strength  
to our emergency services and SES volunteers.  
Protect those who are trapped in floodwaters,  
particularly those who are visitors to our region

and have no home in which to find comfort.

May our response to the suffering of others be generous and bring you praise.

For we ask this in Jesus' name.

Amen.

***Rev. Garry Hardingham, Chairperson and Presbytery Minister  
Presbytery of North Queensland***

Loving God, in the midst of what nature brings us, we thank you for the deep wells of community life; we pray that people will be kept safe; that property damage be minimal, that we might support and help one another through these challenging days. Be with the people of Townsville and district we pray.

***Rev David Baker, Moderator, Synod of Queensland***
